# Here for NZ

- Provide access to healthy and affordable food
- Meaningful and safe work
- Support local communities
- Lead in sustainability

# HereforNZ – Foodstuffs ESG Framework

 <p><b>Healthy and Affordable Food</b></p>	<p><b>1 Influence healthier and affordable food choices</b> Provide healthy and affordable food choices to New Zealanders to measurably shift customer behaviour.</p>	<p><b>2 Reduce food poverty</b> Make a notable difference to alleviating food poverty in New Zealand.</p>	<p><b>3 Healthier and more affordable Own Brands</b> Provide more options to customers through the development and championing of healthier and more affordable Own Brand products.</p>	
 <p><b>Meaningful &amp; Safe Work</b></p>	<p><b>4 Invest in our people</b> Develop and build careers, including preparing our people for the future of work.</p>	<p><b>5 Committed to inclusive and fair cooperatives</b> We will build a fair and inclusive team and culture that authentically reflects the communities we serve.</p>	<p><b>6 Supporting the wellbeing of our people</b> Our people are supported with health and wellness programmes and services that are applicable to them.</p>	
 <p><b>Supporting Local Communities</b></p>	<p><b>7 Impact the frontline</b> Increase the impact, effectiveness and awareness of our contributions to our local communities.</p>			
 <p><b>Sustainability Leadership</b></p>	<p><b>8 Reduce our carbon emissions</b> In line with the Climate Leaders Coalition 2019 Statement, play our part in limiting the long-term global temperature rise to 1.5 degrees Celsius.</p>	<p><b>9 Minimise our waste</b> Implement Foodstuffs Waste Minimization Program across all sites to reduce total waste tonnage towards zero.</p>	<p><b>10 Packaging Sustainability</b> Reduce the environmental impact of packaging used across the business and support the development of a circular economy.</p>	<p><b>11 Responsible and ethical sourcing</b> Embed responsible and ethical sourcing practices across our entire value chain.</p>

# Foodstuffs' 2023 Key Priorities

- ① **Food Affordability**
- ② **Food Waste**
- ③ **Carbon Emissions**

# WELLINGTON CITY MISSION

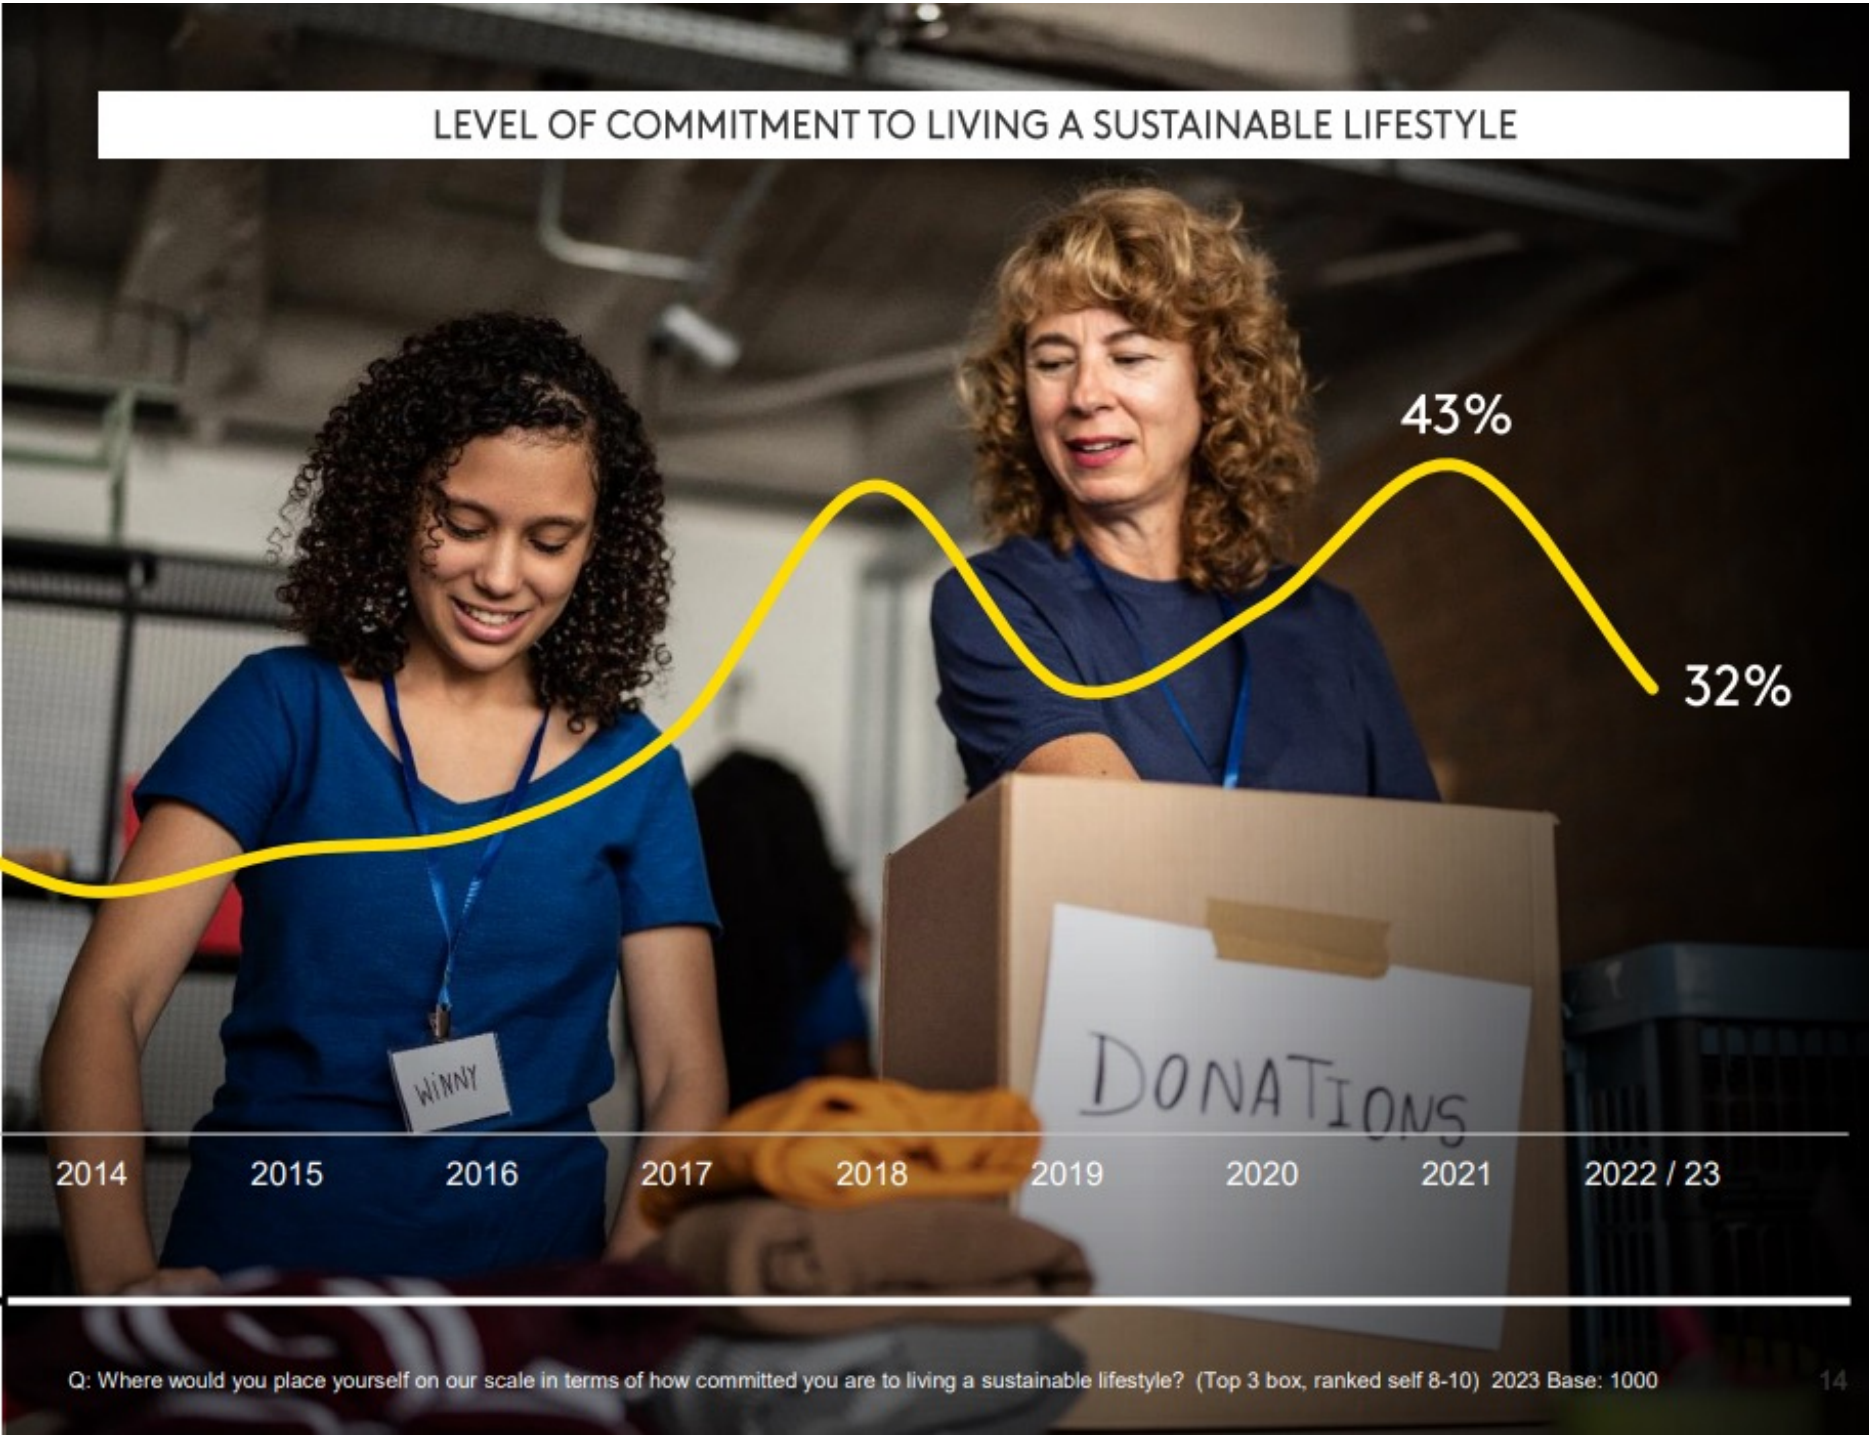

# What do our customers care about?

However, it is equally clear that the barriers to enabling that lifestyle commitment have measurably increased in the last 12 months

# Decarbonisation
